"At a&o Hostels, 'everyone can travel' isn't just a slogan – it's a responsibility. Affordable travel and sustainability go hand in hand. Since 2015 we've cut our CO_2e emissions per guest per night by 78% – from 15 to just 3.32 kg in 2023. And we're not stopping there. We keep investing in sustainability to make a real measurable impact. Travel should be accessible to everyone."

"Bei a&o Hostels ist ‚everyone can travel' nicht nur ein Slogan – es ist eine Verantwortung. Bezahlbares Reisen und Nachhaltigkeit gehen Hand in Hand. Seit 2015 haben wir unsere CO_2e-Emissionen pro Gast/Nacht um 78 % gesenkt – von 15 auf nur noch 3,32 kg im Jahr 2023. Und wir hören hier nicht auf. Wir investieren weiterhin in Nachhaltigkeit, um eine echte, messbare Wirkung zu erzielen. Reisen sollte für alle zugänglich sein."

- Oliver Winter, CEO
