Information for parents and parents' declaration*

Dear Parents,

Your children want to stay in an A&O Hostel which makes us very happy! To provide clarity and certainty for all parties here are some important information.

Children under 14 years of age may only stay with an adult in an A&O.

Young people aged 14 – 17 years are very welcome. However, we want to make sure that the parents agree with the booking/overnight stay. Therefore we need a **parents' declaration**, signed by a legal guardian, from **EVERY** young person as well as a **copy of an official document** (e.g. an ID) of the signer.

I agree that my daughter / son

…….. ……. …….
first name surname date of birth

stays overnight

from ……. to …… at A&O…… .
city and name of house

I understand that my daughter/son has got a contact person at the front desk around the clock but that no special care is available. I am informed that my child will be accommodated in community dormitories ('dorms') which are usually mixed gender. I have made my child aware of the rules of the house (http://www.aohostels.com/en/gtc) and particularly noted the penalties for violation of the smoking ban. I know that I can contact A&O's central reservation, calling +49 30 80 947 5110, at any time.

During my daughter's/son's stay, you can phone me using the following phone number in case of emergency: ……..
Address:……

……, ……, ……
date printed name signature

Privacy policy:
All data collected in this document are exclusively used for the secure handling of the hostel stay and be destroyed afterwards.

* This means all legal guardians with shared residence.

Please tell your child to bring this filled out document to the front desk!
