

Information for parents and parental consent form*

Dear parents,

We are very happy that your child would like to stay the night in an a&o hostel! For clarity and the safety of all involved, here is some important information:

Children under the age of 14 may only stay in an a&o hostel when accompanied by an adult. Adolescents between the ages of 14 and 17 are very welcome. However, we want to make sure that the parents also consent to the booking/overnight stay. Therefore, for **each** adolescent, we require the following **parental consent** form to signed by a parent or guardian, as well as a **copy of an official identification** document of the signatory.

I agree with the stay of my daughter/son

I acknowledge that my daughter/son will be able to find a contact person at the reception desk around the clock, but no special care will be offered. I understand that accommodation in shared rooms ("dorms") is usually mixed-sex. I have reminded my daughter/son that the house rules (<http://www.aohostels.com/en/agb/>) must be observed, in particular the penalties for violating the smoking ban. I understand that if I have any further questions, I can contact a&o's central reservation department on 030 80 947 5110.

During my daughter's/son's stay, I will be reachable in case of emergency at:
